Linda Birch : The Indoor Artist before purchasing it in order to gage whether or not it would be worth my time, and all praised The Indoor Artist:

The Indoor Artist is an ideal guide for all those who, for whatever reason, prefer to paint at home. Packed with original ideas and practical projects, as well as expert advice on techniques, this is an inspiring book for beginners and experienced artists alike. For many people, indoors is the best location in which to paint ndash; convenient, undemanding, safe, not subject to the weather and free from curious onlookers. But inspiration can sometimes run dry and the amateur artist may also need some instruction to help gain essential skills. The Indoor Artist is a practical resource for such painters. Professional artist and writer Linda Birch takes the reader through the basics ndash;

establishing a simple home studio area, selecting the right medium and getting to grips with shape and form ndash; before looking at a number of enjoyable projects in watercolour. These include:bull; working from photographsbull; painting still lifesbull; creating the outdoors indoorsbull; painting from your window ndash; skies and roofscapesbull; painting flowers, gardens, people and animals. She also encourages the reader to explore their experimental side by varying scale, using colour creatively and adopting a number of different styles. An ideal introduction for the beginner and a source of inspiration for the more advanced artist, *The Indoor Artist* is an essential resource for those who paint at home.

About the Author Linda Birch paints in oils, watercolour and pastels and has taught amateurs for many years. She writes regularly for the *Leisure Painter* magazine and is author of *How to Draw and Paint Animals* and *Collins You Can Paint Oils*.
