Andrew Jukes : The Law of the Offerings: The Five Tabernacle Offerings and Their Spiritual Significance before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Law of the Offerings: The Five Tabernacle Offerings and Their Spiritual Significance:

0 of 0 people found the following review helpful. For those who don't know it would be good. By LSABook jacket was well done. I was hoping it would have more information than I already understand. For those who don't know it would

be good. 0 of 0 people found the following review helpful. Opened My Eyes to Leviticus By Kindle Customer I thought I understood the Levitical law, but this analysis brought so many new thoughts. I will do a more thorough study of the scriptures related to the law of sacrifice as a result of reading it. 0 of 0 people found the following review helpful. Five Stars By Doug Gramkow So much I didn't know about the offerings and sacrifices

Jukes's well-known work about the tabernacle offerings and how they still apply to today's Christian.

A very condensed, instructive, refreshing book. It will open up new trains of thought to those unversed in the teaching of the types. --(Charles H. Spurgeon 2001-01-01) From the Back Cover A classic work on the Old Testament offerings and their significance for the New Testament believer! Andrew Jukes explores the offerings of Leviticus as types of Christ's work in providing for the believer's access to and fellowship with God. As Jukes observes, "Leviticus begins after redemption is known, and speaks of things connected with the access of a chosen people to God. . . . Christ in his work is the sum and substance of these types." "A classic on the typological significance of the offerings mentioned in Leviticus, showing how each clearly points toward some particular aspect of the redemptive work of Christ." —David W. Brookman Author, Basic Books for the Ministers' Library "No one explains the significance of the Levitical offerings (in relation to Calvary) as well as Jukes does here. . . . It bursts into life with several superb chapters which are practically essential to the study of Leviticus." —Peter M. Masters Pastor, Metropolitan Tabernacle (Spurgeon's) "A very condensed, instructive, refreshing book. It will open up new trains of thought to those unversed in the teaching of the types." —Charles H. Spurgeon Andrew Jukes (1815–1901) was educated at Harrow and Trinity College, Cambridge, England. He was appointed deacon and was licensed to the curacy of St. John's Church, Hull. Jukes's writing also includes *The Names of God in Holy Scripture*. About the Author Andrew Jukes (1815-1901) was educated at Harrow and Trinity College, Cambridge. He was appointed deacon and licensed to the Curacy of St. John's Church, Hull. Juke's writing also includes *The Names of God in Holy Scripture*, available from Kregel Publications.
