Max Weber : The Layout Look Book before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Layout Look Book:

1 of 1 people found the following review helpful. A nice book, but not quite what I was expecting. By Stefan Andrei Initially I thought it would be more a guideline to how to lay out your designs, but It's more a have a look at this and that approach. I'm not saying that it's a bad book, but again, not what I was expecting. 0 of 1 people found the following review helpful. Five Stars By Kindle User Love it!

When undertaking a new project, the first thing that must be decided on is the layout. Organized so as to encourage creativity, serendipitous discovery, and inspiration, The Layout Look Book is a great guide for both amateur and professional designers. The book includes techniques that can be used to enhance any layout, as well as insights into the factors that helped make each layout an effective piece. The styles covered in the volume range from traditional to cutting edge, and will enable any designer to become a more creative thinker and produce fantastic work.

About the Author Max Weber is a graphic designer and editor specializing in art, architecture, and design. He is the
