Meihwa Lin : The Learning Annex Presents Feng Shui: The Smarter Approach to the Ancient Art of Feng Shui before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Learning Annex Presents Feng Shui: The Smarter Approach to the Ancient Art of Feng Shui:

8 of 10 people found the following review helpful. A Feng Shui Book that REALLY Makes Sense By Anna This book is so easy to read. The Author has done a fantastic job of explaining the foundations of the ancient and complex art of

Feng Shui. Her book follows a logical progression, revealing information in a way that REALLY makes sense. If you read this book you will understand so much about the principles of Feng Shui. You will know more than just to place certain object in a particular part of your house, you will understand why it will work. I recommend this book to everyone interested in Feng Shui.

Literally translated as "wind-water," feng shui is the ancient Chinese art of working with the natural flow of an environment to create harmony in space. It is also a phenomenon across the United States, rapidly shedding its New Age, incense-and-candles image to become a generally accepted way of designing home and work areas for health, wealth, and prosperity. Yet, with all the expensive consultants and self-styled gurus out there, how do you find plain, reliable information on this exciting practice? Look no further. The Learning Annex Presents Feng Shui packs all the knowledge, tools, and special tips of a Learning Annex seminar into a book with answers to questions like: * What is feng shui? * What are its basic principles? * How can I analyze my home for good chi and correct problem areas? * How can I enhance specific life areas? Full of sidebars and other special features, The Learning Annex Presents Feng Shui gives you the tools and knowledge you need to create spaces that will enhance and improve your life-and all in a single night's reading!
