Joseph Gould : The Letter-Press Printer: A Complete Guide To The Art Of Printing before purchasing it in order to gage whether or not it would be worth my time, and all praised The Letter-Press Printer: A Complete Guide To The Art Of Printing:

6 of 6 people found the following review helpful. Poor copyBy CrazyPrinter2007I've been doing research on letterpress and everything that goes along with it.This book is basically a sham... it is a very poor copy of a very old copy, wrapped in shiny new cover.Some of the pages are borderline unreadable. Purchase at your own risk and be warned.

The Letter-Press Printer: A Complete Guide To The Art Of Printing. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
