**Anna Young : The Lost Art of Alaska Fishing** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lost Art of Alaska Fishing:

0 of 0 people found the following review helpful. Stories you wish you could tell of yourselfBy Spencer CatheyThis book captures the devil-may-care attitude that each person has during those exciting times when their destinies unfold. If you have had a peak experience or two in your life, you will recognize that thrill. To say the book is about fishing in Alaska is like saying Melville's "Moby Dick" is about whale hunting. The author demonstrates a great love of Alaska and Alaskans and as the book closes, the reader will understand why the author chose to call it "The Lost Art of Alaska Fishing". Back to the future!0 of 0 people found the following review helpful. ... is an in depth chronicle of Alaska fishermen with beautiful pencil sketches elucidating the narrativeBy J.D. SavidThis is an in depth chronicle of Alaska fishermen with beautiful pencil sketches elucidating the narrative. Hooray to those men and women who fishing Alaskan waters.0 of 0 people found the following review helpful. Knock your socks off stunning!!By abisuzThis book plunges you right into the Alakan fishing culture, without all the hype of those reality fishing TV

shows. This is the real deal told and illustrated by one of Alaska's own. If you like hearing great stories told by someone who lived through them, this is the book for you!

True stories of the history of Alaska commercial fishing, illustrated with over 100 watercolors and drawings. These are true stories. Captain Anna Young's artwork and writing has been accepted as the true history of fishing in the Bering Sea by the Museum of the Aleutians in Dutch Harbor. Her art and books on the history of fishing in Prince William Sound was presented by the Valdez (AK) Museum in 2012.
