Robert Lumley : The Museum Time Machine: Putting Cultures on Display (Comedia) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Museum Time Machine: Putting Cultures on Display (Comedia):

A provocative contribution to the current debate on museums, this collection of essays contains contributions from

France, Britain, Australia, the USA and Canada.

'This publication, while in many ways as critical of some museum developments as Hewison's book [Heritage Industry], is by far the more informed and better argued.' - Scottish Museum News`A solid and challenging book which deserves a wide audience ... there is a need for more like it.' - Heritage Outlook
