Peter Gray : The Practical Guide to Drawing Techniques: [Artist's Workbook] before purchasing it in order to gage whether or not it would be worth my time, and all praised The Practical Guide to Drawing Techniques: [Artist's Workbook]:

From the quickest of pencil sketches to highly finished, inked-up artwork, techniques are an all-important element of drawing. In this book, author and illustrator Peter Gray guides you through the different materials available and how to deploy them to best effect. Whether you are an experienced artist or a complete beginner, tailored step-by-step exercises and practical hints will help you discover the techniques that work for you. The Artist's Workbooks are practical guides for artists interested in getting to grips with a particular subject. Other books in the series include: Drawing Animals. Drawing Caricatures. Drawing Figures. Drawing Landscapes. Drawing Manga. Drawing Portraits.
