**Charles FitzRoy : The Rape of Europa: The Intriguing History of Titian's Masterpiece** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rape of Europa: The Intriguing History of Titian's Masterpiece:

1 of 2 people found the following review helpful. Very smooth and easy to readBy Anne PhillipsFull of surprises! Very smooth and easy to read. But, unfortunately, also rather repetitious. Maybe that is because simply everyone wanted to have this painting and did not hesitate to employ some underhanded tactics.0 of 2 people found the

following review helpful. Five StarsBy Richard Lammgreat0 of 1 people found the following review helpful. ...  
recounting of the vicissitudes of one of the world's great paintings.By CustomerA truly fascinating recounting of the  
vicissitudes of one of the world's great paintings.

'The Rape of Europa' is one of Titian's great masterpieces, a work charged with eroticism and classical mystique behind which lies a tale as compelling as the painting itself. Here Charles FitzRoy weaves a unique account of its history and the painting's movement following the rise and fall of the countries in which it has been housed. The story ranges from its place at the court of King Philip II of Spain, through French revolution and English intrigue, to its final move to America, engineered by the brilliant but devious art historian Bernard Berenson. This is the tale of how Titian's masterpiece has captivated kings, nobles, artists, and lovers alike for over four centuries since its conception and continues to do so today.

ldquo;This book is not just the history of one of the world's greatest paintings; it brings to life all the stages of its long journey from Venice through Spain, France and England and finally to Mrs Isabella Stewart Gardner's glorious Fenway Museum in Boston - I was fascinated every inch of the wayrdquo; ?John Julius Norwichldquo;An absorbing account of how a single, highly coveted artefact embodies the zigzags of political power, economic clout and cultural ambition through succeeding agesrdquo; ?Literary ldquo;Takes the reader from the inbred, art-loving Spanish royals of the 16th century to the 500-piece art collection of the dissolute Duke of Orleans who was to lose it - and his head - during the French Revolution, to the wealthy art-buyers of 19th century Britain.rdquo; ?IndependentAbout the AuthorLord Charles FitzRoy is a direct descendant of Charles II and the uncle of the Duke of Grafton. Educated at Eton and Magdalene Cambridge, he trained as an art historian under Professor Michael Jaffe. He runs Fine Art Travel Ltd and is a consultant to Christie's and Sotheby's.
